

**CSA-EUR** is recruiting for the Cultural Events committee for next academic year (2018-2019). It is the Cultural Events Committee's duty to organize cultural events from both Dutch and Chinese culture, such as a calligraphy workshop, cooking workshops and the city trip. This year organizing the moon festival and Chinese New Year will also be added to the list of events we oversee. Our goal is to make the members familiar with both cultures.

### What will be your activities as an active member from the Cultural Events Committee?

You will be organizing the cultural events. Instead of just enjoying the events of CSA, you will also get a look behind the scenes.

You will *search for hidden gems* to hold that special event. You can use your *creative* tendencies to think of great events. You will use your great *organizing skills* so the events are going smoothly. You will use your *social and people skills* to introduce people and give them the *CSA Family feel* and make them familiar with the benefits of both cultures. When things get rough, your *flexibility and problem solving skills* are put to great use. You can *think on your feet* and won't let unpredictability put you down. You always keep your head cool and you are always smiling.

In short, you will be *creating unforgettable moments* for our (potential) members.

### What does CSA-EUR offer?

We offer you a place to foster your entrepreneurial mindset, ideas and give you the platform to execute these. Furthermore, we will actively help you develop your competencies which will greatly benefit your professional career. Lastly, we provide a fun and multicultural environment in which you can experience first-hand about how to manage yourself in a cross-cultural context.

### Who are we looking for?

We are looking for a *flexible person with organizing and people skills* who also has affinity/ interest for China. Of course, having knowledge about Dutch and (especially) Chinese culture is a plus. Are you *passionate* about hosting great events for people? Is your head *full of ideas*, which just seem never-ending? Then **CSA-EUR** is the place to be! So in summary, we are looking for someone with:

- Organizing skills
- People and social skills
- Problem solving skills
- Energy and passion
- Affinity about Chinese culture is a plus

Do you have these skills and are you motivated to work together with an exciting and professional team? Go to [csa-eur.nl/apply](http://csa-eur.nl/apply) and submit your application.
