

**CSA-EUR** is recruiting for the Lustrum committee for next academic year (2018-2019). It is the Lustrum Committee's duty to organize memorable events and to write a lustrum book to celebrate our 15 year anniversary. Our goal is to make this unforgettable year even more exciting!

### What will be your activities as an active member from the Lustrum Committee?

One of the activities will be creating a beautiful lustrum book that captures the amazing achievements we have made over the years. Next to that, you will arrange special lustrum events for our members where you will need *organizing* skills so the events are going smoothly. A lot of freedom is provided to decide what will be the best way to celebrate our 15 year anniversary. You can think of an exciting lustrum party for everyone to enjoy, or just a cozy movie night with great company; as long as everyone has the *CSA family feel*. When things get challenging, your *flexibility and problem solving skills* are put to great use. You can *think on your feet* and won't let unpredictability put you down. You always keep your head cool and you are always smiling.

In short, you will be *creating unforgettable moments* for our (potential) members.

### What does CSA-EUR offer?

We offer you a place to foster your entrepreneurial mindset, ideas and give you the platform to execute these. Furthermore, we will actively help you develop your competencies which will greatly benefit your professional career. Lastly, we provide a fun and multicultural environment in which you can experience first-hand about how to manage yourself in a cross-cultural context.

### Who are we looking for?

We are looking for a *flexible person with organizing and people skills* who is passionate about CSA-EUR. Of course, having experience with events of our association is a plus. Do you like creating great memories? Is your head *full of ideas*, which just seem never-ending? Then **CSA-EUR** is the place to be! So in summary, we are looking for someone with:

- Organizing skills
- People and social skills
- Copywriting skills
- A taste for design
- Energy and passion for CSA-EUR
