Give Fortune, Get Fortune: Charity Event

- a. All of the money collected from the sales of the event **Give Fortune: Get Fortune: Charity Raffle** will be donated to Artsen Zonder Grenzen (Doctors Without Borders). CSA-EUR will not be receiving any money from the proceeds of the event.
- b. All of the money contributed to the cause will be visible on the progress bar on the official landing page of the event <https://csa-eur.nl/give-fortune-get-fortune/>. Donations will not be reflected in this progress bar immediately, but rather within 72 hours from the time the transaction is made.
- c. Each raffle costs 1 euro and the number of raffles awarded is based on the amount of money contributed (i.e. donating 4 euro gives you 4 raffles). Alongside that CSA-EUR is also running the following deals:
 - i. Each time you buy 5 raffles you get 1 extra raffle for free
 - ii. Each time you buy 10 raffles you get 3 extra raffles for free
 - iii. Each time you buy 30 raffles you get 10 extra raffles for free

These deals do not stack, i.e. buying 30 raffles will grant you 10 additional raffles but not the extra 3 from the buy 10 deal.
To be eligible for this deal the set amount of raffles has to be purchased at once.
- d. Raffles are non-refundable.
- e. Buying a raffle does not guarantee receiving a prize as the winning raffles are chosen randomly.
- f. If an event has to be cancelled, rescheduled or relocated, CSA-EUR will inform the members to the best of its ability. If the cancellation of a CSA-EUR event is due to circumstances beyond CSA-EUR's control, CSA-EUR is not liable to repay the participation fee.
- g. In the case that there are photographers or videographers present at one of our events, participants should be aware that pictures and videos might be taken of them for CSA-EUR's use. By signing up and purchasing tickets, they consent that these photos and videos might be posted on CSA-EUR social media channels.
- h. By signing up for the event, the participants consent to having their names shared on the CSA-EUR social media channels.
