

Cultural Events Committee

CSA-EUR is recruiting for the Cultural Events Committee for the academic year of 2022-2023. It is the Cultural Events Committee's duty to organise cultural events involving both the Dutch and Chinese culture. You will be responsible for organising events on different scales that let our members explore and learn about different cultures. Among our successful events are: the Moon Festival, food crawls, and city trips. As a Cultural Events Committee member, you will bring people together with different social and cultural backgrounds, while creating unforgettable memories.

What will be your activities as an active member of the Cultural Events Committee?

You will plan and organise events that will allow participants to explore and learn about culture-related activities. Instead of just enjoying the events of CSA-EUR, you will also get a look behind the scenes. You can use your creativity, great organising and managing skills to make sure the events go smoothly. Furthermore, you will use your social skills to introduce people and give them a family-like feeling CSA-EUR is known for and make them familiar with the benefits of both cultures. When things get rough, your flexibility and problem-solving skills are put to great use. You can think on your feet and will not let unpredictability put you down. You always keep your head cool and remain optimistic. In short, you will be creating unforgettable moments for our (potential) members.

What does CSA-EUR offer?

We offer you a place to foster your entrepreneurial mindset, ideas and give you the platform to execute these. Furthermore, we will actively help you develop your competencies, which will greatly benefit your professional career. Lastly, we provide a fun and multicultural environment, in which you can experience first-hand how to manage yourself in a cross-cultural context.

Who are we looking for as an active member?

We are looking for a flexible person with organising and social skills who also has an affinity with/interest in China. Of course, having knowledge about Dutch and (especially) Chinese culture is a plus. Are you passionate about hosting great events for people? Is your head full of ideas, which just seem never-ending? Then CSA-EUR is the place to be! To summarise, we are looking for someone with:

- Great motivation, energy, and passion;
- organising skills;
- people and social skills;
- problem-solving skills;
