

Delft Committee

CSA-EUR is recruiting **event planners** for the Delft Committee for the next academic year (2022-2023). The Delft Committee is a new and experimental initiative to expand CSA-EUR outside of Rotterdam. As a member of the Delft Committee you will be largely responsible for **organizing events located in Delft**. These events can range from social events such as social drinks or parties to career-related events.

What will be your activities as an active member from the Delft Committee?

The purpose of the Delft Committee is expanding CSA-EUR's domain to Delft and introducing potential members to our association through the organization of events.

As for the events itself, it is mostly up to the committee members! The committee members are free to brainstorm and suggest ideas for events that they want to hold. Because the Delft Committee is a new initiative, nothing has been set in stone yet. Thus, the committee members can be as creative as they want! We held our first Delft event last March with great success, and we hope to continue that success this year. During these events you will not only be enjoying the event itself, but you are also responsible for a smooth execution and the social relevance of the event.

What does CSA-EUR offer?

We offer you a place to foster your entrepreneurial mindset, ideas and give you a platform to execute these. Furthermore, we will actively help you develop your *skills* which will greatly benefit both your *professional career and personal life*. Lastly, we provide a fun and multicultural environment in which you can experience *first-hand how* to manage yourself in a cross-cultural context.

Who are we looking for?

As a Delft Committee member, you have to be a person who is not afraid of exploring new opportunities and taking risks. You have great organizational skills, and are flexible and creative in order to launch a number of diverse events in Delft.
